Children and Missions: Moving from Education to Action!

Jill Harris Jordan, Presenter

Perhaps this generation will see The Great Commission completed in their lifetime! You can leverage your impact by engaging children in their God-given purpose to bring glory to His name to the ends of the earth?

This webinar will give you lots of practical ideas, resources and inspiration to get kids involved NOW in the Great Commission.

Topics to be covered:

- Where do you start?
- Can kids really learn about unreached peoples and other religions?
- Overcoming the objection, "There's no time to add something more to our Sunday School hour."
- What resources are available?
- How do we get the families involved?
- Next steps along the way
